

TitanTM has the best red on the block

NEW Titan Dark Red

Titan F1 Series Vinca

Titan is up to 2 weeks faster to flower than open-pollinated varieties, with exceptional uniformity, superior branching and the biggest flowers in all the top-selling vinca colors.

This year's Dark Red addition is the first-ever true red in F1 vinca. It is more disease tolerant and handles stressful conditions in the pack and garden better than O.P. varieties. A vigorous grower even in cooler climates and a good low-water variety in hot, dry conditions, Titan is perfect for landscapes and containers of all types. Well-suited to premium packs and 4-in. (10-cm) pots.

*A Mississippi Medallion Award
Winner and Kansas State Prairie
Star Performer.*
